

Please do not take away our K-Love station. My children and I listen to it every day. It is a nice alternative to the other genres of music that promote drugs, sex, drinking and swearing. I am not asking you to shut down those stations who play that type of music. After all everyone has the right to listen to the type of music they like. I am asking that you allow us to keep that same basic Constitutional right. Keeping our K-Love station for those of us who choose to live our lives and raise our children with our Christian values. Thank you.
